

Dear Applicants,

Those, **who are willing to take admission** in the following subjects, if selected in the subsequent admission list(s), are requested to submit their willingness through the University Admission Portal:

- Library and Information Science
- Environmental Management
- Environmental Science
- Rural Studies
- Lifelong Learning and Extension
- Folklore
- Molecular Biology and Biotechnology
- Biophysics
- Biochemistry

Applicants are requested to log in to the Admission Portal using their existing username & password and submit their willingness **within 18th August** for the subject(s) for which they had applied earlier.

The willingness submitted through the Admission Portal will be considered for preparation of the subsequent admission list(s), subject to the applicable admission rules and availability of seats.

Applicants are advised to regularly check the University website and the Admission Portal for further updates.
